**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am writing this to tell my version of why I feel I need AT&T needs to have continued competition from small services like my LMI service. I am retired now, but when owned a very small business growing decorative plants I grew in my 3000 sq.ft greenhouse. When I had problems learning how to deal with business on the internet AT&T and Comcast couldnt be bothered with small potatoes like me. At LMI service is prompt, made me feel like my business was important to them.

Yours Truly,
